

REMARKS**Amendment to the Claims**

Claim 5 has been amended to recite "3,4-ethylenedioxyphenyl" as the value of R¹ instead of "3,4-ethylenedioxy" to comply with 35 U.S.C. § 112, fourth paragraph. "3,4-ethylenedioxy" as the value of R¹ in Claim 5 does not incorporate all the limitations of Claim 1 from which Claim 5 depends. Due to a clerical error, "3,4-ethylenedioxy" instead of "3,4-ethylenedioxyphenyl" was recited as the value of R¹. Support for amendment can be found at, for example, page 5, lines 3-12 of the application as filed.

Claim 12 has been amended to delete "R¹ is an aromatic structure, an alicyclic structure, a branched aliphatic structure or a linear aliphatic group having 5 to 15 carbons;".

Claims 16 and 17 have been canceled.

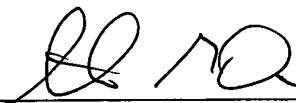

No new matter is added. Applicant respectfully requests the Examiner to enter the recited amendment above.

CONCLUSION

In view of the above amendments and remarks, it is believed that all amendments be entered. If the Examiner feels that a telephone conference would expedite entry of the amendment, the Examiner is invited to call the undersigned.

Respectfully submitted,
